

ANANDU R NAIR

FRONT-END DEVELOPER

PROFESSIONAL SUMMARY

As a fresh Front-End Developer, I am eager to apply my knowledge and passion for web development to contribute to innovative and user-friendly digital experiences. Proficient in HTML, CSS, and JavaScript, I have a solid foundation in front-end technologies and a willingness to learn and grow in the field. I am familiar with modern front-end framework like React. I have a keen eye for design and a strong understanding of UI/UX principles, aiming to create visually appealing interfaces. I am eager to contribute my skills and make a meaningful impact in the world of front-end development.
